October Is Awesome

From beautiful skin specials in drifts like autumn leaves to never-spooky Halloween treats, we have a month of awesome ways to prep for the holidays just around the corner! [Please forward this newsletter to a friend, and don't forget that **this month and every month, when you refer a friend, you both receive a 20% discount on a cosmetic service with our thanks.**](#)

Gobble, Be Gone!

Banish Double Chin and Turkey Neck with Bewitching Savings on CoolSculpting and KYBELLA

It may be fall, but it's way too warm in Southern California to break out the turtleneck sweaters or wind a knitted scarf around your face. On top of that, you can tell by the grocery-store displays and the piles of pumpkins that a scary holiday is just ahead -- no, not Halloween, but Thanksgiving, with its terrifying prospects of being confused with the turkey balloon in the Macy's parade.

Never fear! We have magical savings on the two best treatments for double-chins and turkey necks -- **CoolSculpting** and **KYBELLA**.

You already know that **CoolSculpting** is the hottest new way to freeze away stubborn fat deposits. But did you know that in addition to getting rid of that muffin top and those saggy thighs, **CoolSculpting** works wonders on contouring your underjaw area?

BEFORE

12 WEEKS AFTER
Second CoolSculpting® Session

Our special introductory prices on **CoolSculpting** continue through October, so get a head start on distinguishing your neck from the turkey's today!

KYBELLA is the FDA-approved injectable treatment especially designed for eliminating fullness under the chin. With no downtime, **KYBELLA** dissolves the fat cells that give you a double chin (the tendency can be hereditary, and may have nothing to do with your weight).

This month only, **receive \$100 off your first KYBELLA treatment!** And if you're combining your **KYBELLA** treatment with **BOTOX** or other Allergan injectables in the same appointment, **receive \$200 off!** This discount may be combined with other Allergan injectable specials.

Not sure which treatment is right for you? Put down that turtleneck and call or [email](#) our cosmetic consultant **Mary Lou** today for your complimentary consultation!

No more turkey neck or turtleneck camouflage! Serve the turkey with your chin up!

BOO-TOX IS BACK!

**Tis the Season to Scare Away Frown Lines and Crows' Feet
... for Less!**

No need for a Halloween mask to hide witchy wrinkles and signs of aging. This month, purchase 2 vials of injectable filler (JUVEDERM, VOLUMA) and receive 20 units of BOTOX Cosmetic FREE!

With this great combination of anti-aging witchcraft you can sail into the holidays defying time AND gravity! Call or [email](#) today to book your treatment.

Holiday Magic Trick: Permanent Makeup!

Look Gorgeous at the Drop of a Party Invitation

Don't forget the holiday beauty secret you can use all year long! Our licensed aesthetician, **Sandra**, now offers **permanent makeup** (brow, liner, and lip tattooing) applied just for you to suit your style and coloring . . . so you can savor that first cup of coffee, go from daytime chic to nighttime glam in the blink of an eye, and wake up beautiful wherever you are.

October Spa

Take Off the Mask with Our Cosmelan Peel

Melasma, a mask-like darkening of the skin, sometimes feels like wearing a Halloween mask all year long. Common in pregnancy, and usually resolving after delivery, melasma can linger or occur even without pregnancy in women with darker skin tones. Unprotected UV exposure worsens melasma.

Before Mask Application

MD – 2 Weeks After Initial Mask

But you can take off the melasma mask for good and restore skin's natural glowing pigmentation with our professional Cosmelan Peel. This month, we're offering the Cosmelan Peel for just \$625, a savings of \$100!

LATISSE for Lovely Lashes, MICRO-FIRM for Neck & Décollette

Dash to the holidays with lovely, flirty, memorable lashes! Don't blink! Come in now for your LATISSE savings!

supercharged with micro-proteins and packed with antioxidants and moisturizers as well as exfoliating properties to encourage cell turnover for a softer and more luminous appearance.

This month only, purchase MICRO-FIRM REJUVENATING COMPLEX and receive a 30 mL JOURNEE day cream FREE (a \$130 value).
