Back to School, Back to You-Time

Post-Labor Day ... the kids are back at school or off to college, the vacation pix are stored in your phone, the beach bag is emptied of sand, and it's back to the daily grind as we ease into Fall. But there doesn't have to be anything same-old about your skin care routine as the seasons change. We have a month of great specials to help you carve out some me-time for looking and feeling terrific while the holiday roller coaster gets ready to plunge.

Please forward this newsletter to a friend, and don't forget that **this month and every month, when you refer a friend, you both receive a 20% discount on a cosmetic service with our thanks.**

Goodbye, Sun Damage

Zap the Brown Spots and Get a FREE Microdermabrasion

Your skin can be a lot like the autumn leaves. Summer's sun leaves it brown and dry, robbing you of your own natural, youthful glow -- and doing damage below the surface, too.

This is a great time to schedule a series of **IPL FotoFacials** that safely zap away brown spots and sun damage, leaving your skin fresher, smoother, and more luminous, and prompting the growth of healthy new skin cells.

Before

3 weeks after 1 Tx

This month only, prepay a series of 3 IPL FotoFacials and receive a FREE Microdermabrasion Treatment!

Microdermabrasion gently polishes the skin's outer layer, removing dry, flaky cells and revealing a radiant new outlook.

This special will be gone before the leaves fall, so call or [email](#) today!

CoolSculpting Special Continues

Lose the Muffin Top & Save Some Dough!

Just a reminder that with **CoolSculpting** you can lose the love handles, saggy thighs, double chin, or muffin top and look fabulous in sleek fall fashions and holiday styles ahead.

CoolSculpting is the non-invasive treatment that safely freezes away stubborn fat deposits with no downtime.

Our special savings continue this month: **Purchase 4 or more applicators and save \$600!**

To find out how many cycles (applicators) you'll need to freeze away those lumps and bumps, call or [email](#) for your complimentary consultation today.

Book your **CoolSculpting** appointment now ... and remember, we now offer **CoolSculpting** on Saturdays, too!

Scare the Crows (Feet) Away!

Purchase BOTOX and Receive a FREE Pelleve Eye Treatment

You'll see lots of scarecrows out in fields or decorating doorways this season, but they can't do a thing about the crows we dread most -- the crows' feet that age our eyes!

No worries. BOTOX Cosmetic safely reduces the appearance of crows' feet to renew your youthful appearance.

Before

30 days

This month only, purchase 24 units of BOTOX Cosmetic for treatment of crows' feet, and we'll throw in a FREE Pelleve Eye Treatment! This safe, gentle radiofrequency (RF) treatment reduces eyelid wrinkles and puffiness.

Questions about this or any other cosmetic treatment? Call or [email](#) our cosmetic consultant **Mary Lou** for your complimentary consultation!

Wave Away the Years

Radiesse Hand Rejuvenation with Bonus IPL Treatment

Your hands spent all summer outside, too. Don't let your hands give away your age. Give them a hand in looking younger and more supple with **RADIESSE** hand rejuvenation.

This month only, purchase your **RADIESSE** hand rejuvenation treatment and **receive a FREE IPL hand treatment**, to zap away age spots and sun damage.

Fall Filler Fiesta

Save on Your Favorite Injectable Fillers

Pump up the volume with savings on your favorite injectable fillers -- **JUVEDERM, VOLLURE, VOLUMA, VOLBELLA, RADIESSE or RESTYLANE!**

This month only, purchase any two syringes and save 10%!

Restore smooth, youthful contours to cheeks, nasolabial area (parentheses lines), lips, or full face!

JUVÉDERM VOLLURE™ XC Before-and-After Photos (Catherine 1)

Actual patient. Results may vary. Unretouched photos taken before treatment and 1 month after treatment. A total of 3.75 mL of JUVÉDERM VOLLURE™ XC was injected into the parentheses, corner, and marionette lines.

Take Off the Mask of Melasma with Our Cosmelan Peel

Come Out from the Shadows and Save

Halloween merchandise is already in the shops, but you needn't wear the mask of melasma, red spots, or acne scarring any longer!

Melasma is a patchy darkening of the facial pigment that often takes the form of a mask. Because it occurs frequently during pregnancy, you may have heard it called "the mask of pregnancy," but it can occur at other times too, especially if your natural skin tone is darker. Melasma of pregnancy may clear up on its own, or remain a stubborn issue. Along with reddened pigmentation and acne scarring, melasma is one of those troublesome skin conditions that send us hiding behind coverup.

Good news! Our **MD Formula Cosmelan Peel** is effective at diminishing the appearance of melasma, red spots, and acne scarring. It's suitable for any skin type.

And this month only, you can save \$75 on a Cosmelan Peel!

If you want to treat pigmentation issues without taking the time for a peel, we have our own **Comprehensive Dermatology Center of Pasadena HQRA+** -- which reduces overproduction of melanin and diminishes fine lines and wrinkles -- back in stock!

Call or [email](#) now to book your peel or learn how we can address any of your nagging skin issues. **And remember, we now offer aesthetic appointments Monday through Saturday!**
