September School for Savings

Back to class, back from vacation, back to everyday routines. But there's nothing routine about this month's special offers, which will put you at the head of the class for healthy, beautiful skin! Please forward this newsletter to a friend, and don't forget that **this month and every month, when you refer a friend, you both receive a 20% discount on a cosmetic service with our thanks.**

Filler Up!

Big Savings on JUVEDERM, VOLUMA & KYBELLA

You may have started seeing **KYBELLA's** witty [ad campaign](#) on TV, with spots featuring people who've inherited their ancestors' wonderful qualities -- but also their double chin. The ancestral portraits all depict their subjects with high collars and other chin-hiding accessories.

We may be closing in on the season for turtlenecks and discreetly draped scarves, but if you've inherited your ancestors' double chin there's no reason to bundle up. This month we're featuring savings on **KYBELLA**, the FDA-approved injectable treatment for eliminating fullness under the chin.

We're also offering savings on two other popular injectable rejuvenating treatments, **JUVEDERM** (for filling and smoothing wrinkles and lines) and **VOLUMA** (for restoring youthful cheek contours).

This month only:

Purchase 2 vials of KYBELLA and receive 25% off additional vials.

Purchase 1 syringe of JUVEDERM and get 50% off the second syringe.

Purchase 2 syringes of VOLUMA and receive 1 syringe of JUVEDERM free.

Not sure how much **KYBELLA** you'll need, or what combination of fillers works best for you? Call or [email Mary Lou](#) today for your complimentary consultation. Chin up, and put your best face forward into fall!
