Volume 9, Issue #2

February / 2020

Love Your Face at Every Age!

50. 43. Long after the 2020 Super Bowl score is forgotten, these are the numbers we'll still be talking about: J.Lo (at 50) and Shakira (on her 43rd birthday), lighting up the field and the world. You can do the same! We're not saying you have those dance moves or the makeup artist to the stars, but you can possess **the secret to beauty at any age: healthy, glowing, cared-for skin.** Let us help this month, and save. Please forward this newsletter to a friend, and don't forget that **this month and every month, when you refer a friend, you both receive a 20% discount on a cosmetic service with our thanks.**
