February News and Savings

Please be our Valentine this month as we line up some sweet treats for healthy, beautiful, younger-looking skin. It's a short month -- even though, this Leap Year, it has an extra day -- so don't miss the chance to grab these fabulous February deals!

Remember, this month and every month, when you refer a friend, you both receive a 10% discount on a cosmetic service (to be scheduled at your convenience) with our thanks.

Make It an Emsculpt Date!

Share the love -- and the loss!

Emsculpt NEO treatments are the gold standard in body sculpting, melting fat and building lean muscle without the gym membership. One 30-minute **Emsculpt NEO** treatment is the equivalent of 20,000 crunches!

This month only, schedule side-by-side Emsculpt NEO treatment with your sweetie or your buddy for just \$600 per treatment when you prepay!

KYSSE Your Lines Goodbye!

Nothing says Valentine's month like luscious, kissable lips.

Restylane KYSSE was designed specifically with movement in mind. With the ideal balance of flexibility, support, and a natural feel, you can maintain a full range of expressions.

Treat yourself to fuller, natural-looking lips with **KYSSE** this month, and we'll chase away the frown lines, too! **Purchase one syringe of Restylane KYSSE and receive 50 units of DYSPORE FREE!**

All product purchased must be used in the same treatment appointment.

Keep the Valentines, Lose the Redness

**Roses are red,
And Valentine hearts, too
But unsightly redness
Is not meant for you!**

Rosacea, spider veins, broken capillaries, and other types of facial redness can leave you feeling blue. Our V-Is-For-Valentine solution is the **VBeam Laser**. **VBeam** treatments gently target the underlying blood vessels, minimizing the appearance of redness and promoting a more even skin tone.

During February only, prepay and receive a series of 3 VBeam Laser treatments for just \$1050!

In the Office

Watch Your Inbox!

At **Comprehensive Dermatology Center of Pasadena**, we have some exciting new developments in the works -- all designed to offer you even more opportunities for healthy, beautiful skin from top to toe.

We can't wait to share, so stay tuned!

Mary Lou's News: Leap Into Love(ly Skin)

It's not just Valentine's month, with all the fun that brings. 2024 is also a Leap Year, so this month has one extra day to do something special for yourself. Take the leap! Try a new skin care treatment or product. Commit to that skin care routine. Take advantage of the still short days to schedule laser rejuvenation.

Whatever you're leaping into, I can help.

I'm **Mary Lou Brimecombe**, CDCOP's cosmetic consultant. I can help you explore the full range of skin care treatments and products we offer. I'd love to set up a complimentary consultation for you -- either in-office or virtually from wherever you are. Together we can create

a skin care plan that's suited to your needs, your schedule, and your budget.

Book your complimentary consultation with me (appts. available Monday-Thursday), or with Ruby on Fridays.

Look Younger Now--Pay Over Time

Ask me about CareCredit, our financing service. It's easy to apply, and you have twelve months to pay for your treatment--at NO interest! (Note: Payment plans not available for prepaid discounted treatments, products, and packages.)

The Fine Print

All treatment offers are for new bookings ONLY.

Unless otherwise specified, all offers are good through **February 29, 2024** only, and may not be combined with other discounts. You may prepay treatments to get the discount; prepaid treatments may be scheduled at your convenience within 6 months unless otherwise noted. Thank you!
