Helping Our Community Rebuild

**Last month, our community
and the wider Los Angeles area were devastated
by one of the worst natural disasters
in this country's history.**

**The fires that raged in hurricane-force winds
took lives, homes, workplaces, schools,
and houses of worship.**

**We will be a long time recovering and rebuilding,
but we will recover and we will rebuild,
because the spirit of community is fireproof.**

We are here for you and for our community
for as long as it takes.

This month, we take one step
toward a hopeful future.

**For every cosmetic treatment
purchased during February,
CDCOP will donate a percentage
to fire victims' recovery.**

For Our Patients Who've Lost a Home or Been Displaced

We want to help make your landing a little softer. Stop by our office this month for a special **CDCOP Care Bag** packed with skin care essentials, while supplies last.

During February only, prepay and receive facial Vbeam for just \$375 per treatment, Nose treatment only (a great gift for your best guy) for just \$225!

**Life Has Wrinkles Enough ...

Mary Lou's News: Spring WILL Come!

Whew! 2025 has been a ride so far, right? For many of us, it may seem impossible to think about "getting back to normal," but we will, in time. Our community will rebuild. Spring will be here before we know it.

I'm **Mary Lou Brimecombe,** CDCOP's cosmetic consultant. I can help you explore the full range of skin care treatments and products we offer. I'd love to set up a complimentary consultation for you -- either in-office or virtually from wherever you are. Together we can create a skin care plan that's suited to your needs, your schedule, and your budget.

Book your complimentary consultation with me (appts. available Monday-Thursday).
