Mary Lou's News: Think of Me as Your Wedding Planner

Well, not THE wedding planner, but someone who can help make sure your gorgeous glow arrives on time. We offer a whole range of treatments and products that can make everyone in the wedding party look their best ... but some take a little pre-planning. That's where I come in.

I'm **Mary Lou Brimecombe**, CDCOP's cosmetic consultant. I can help you explore the full range of skin care treatments and products we offer. I'd love

to set up a complimentary consultation for you -- either in-office or virtually from wherever you are. A virtual consultation is a great way to get the planning done without an extra visit -- a great shortcut this time of year. Together we can create a skin care plan that's suited to your needs, your schedule, and your budget.

Book your complimentary in-person or virtual consultation with me (appts. available Monday-Thursday).

Look Younger Now--Pay Over Time

Ask me about CareCredit, our financing service. It's easy to apply, and you have twelve months to pay for your treatment--at NO interest! (Note: Payment plans not available for prepaid discounted treatments, products, and packages.)

The Fine Print

All treatment offers are for new bookings ONLY.

Unless otherwise specified, all offers are good through **June 30, 2025** only, and may not be combined with other discounts. Thank you!
