Lift, Firm, and Smooth Your Face with Sofwave ... and CoolPeel Savings!

If the face in the mirror seems a little droopy,
with loose skin and sagging contours,
it's time to give yourself a lift with a full-face **Sofwave** treatment.

Sofwave, the next-generation facial treatment
created by the founders of the aesthetic industry,
offers a novel approach to skin tightening.

Sofwave treatments are noninvasive
and can be precisely targeted to your skin's needs
while maintaining a comfortable skin surface.

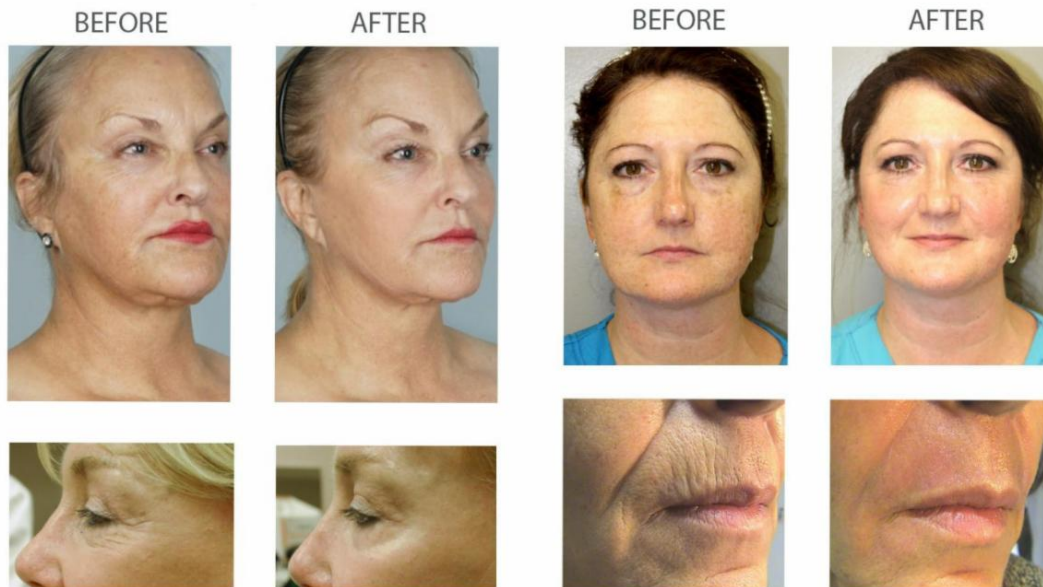

Sofwave is great for smoothing away acne scarring, too!

**This is the best time for a Sofwave treatment,
because this month only when you prepay
for your full-face Sofwave treatment,
we'll also add a half-price CoolPeel treatment
in the same session!
(You'll save \$500!)**

coolpeel.

CoolPeel is the no downtime way
to diminish fine lines and sun damage, improve pore size,
and renew your skin's youthful glow.

**Call (626) 793.7790 now
to prepay your full-face Sofwave treatment
and half-off CoolPeel treatment!**

**Fly Away, Batwings!
Firm and Tone Those Upper Arms!**

Swimsuits. Tank tops, Sleeveless little cocktail dresses. They may be summer clothes, but in Southern California they're year-round fashion. And that means year-round exposure for those upper arms.

Whether you're in need of a little toning or are covering up crepey skin or a full set of batwings, we've got what you need to roll up your sleeves and put away the shawls.

Softwave tissue-tightening also works wonders on upper arms, and this month we're sweetening the deal by throwing in a **FREE EMsculpt Neo back-of-arms treatment** when you prepay your **Softwave upper arms!**

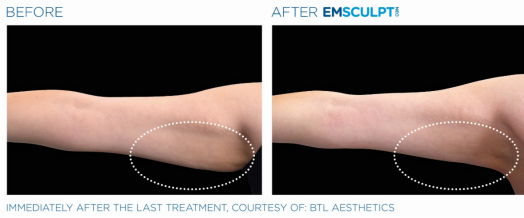

That's double the firming and toning!

Mary Lou's News:

Whether you're just starting your cosmetic journey or you're digging into the menu of fabulous treatments our **CDCOP Premier Members** are eligible for, you probably have lots of questions. What's right for my skin? My age? My expectations? My budget?

It's my pleasure to field those questions and to offer a few bright ideas to get you started or keep you going.

I'm **Mary Lou Brimecombe**, **CDCOP's** cosmetic consultant. I can help you explore the full range of skin care treatments and products we offer. I'd love to set up a complimentary consultation for you -- either in-office or virtually from wherever you are. A virtual consultation is a great way to get the planning done without an extra visit -- a great shortcut this time of year. Together we can create a skin care plan that's suited to your needs, your schedule, and your budget.

Book your complimentary consultation with me (appts. available Monday-Thursday).

Look Younger Now--Pay Over Time

Ask me about CareCredit, our financing service. It's easy to apply, and you have twelve months to pay for your treatment--at NO interest! (Note: Payment plans not available for prepaid discounted treatments, products, and packages.)

The Fine Print

All treatment offers are for new bookings ONLY.

Unless otherwise specified, all offers are good through **August 31, 2025** only, and may not be combined with other discounts. Thank you!
