Product of the Month: Cible Skin Paris Serum Le Power

Night is a time of calm and intensive regeneration for the skin.

For its four-way anti-aging action -- anti-wrinkle, lifting, antioxidant, and anti-blemish -- add **Cible Skin Paris' Sérum Le Power** to your bedtime ritual. A powerful collagen booster, **Sérum Le Power** reduces wrinkles and fine lines, participates in cell renewal, and protects the skin from environmental aggressions.

Rich in concentrated Retinol, it offers a lifting, firming, and toning effect while acting on blemishes for a more even skin tone. In addition, an effective growth factor provides a deep plumping effect to the skin.

This month only, while supplies last, save 10% on Sérum Le Power from Cible Skin Paris.
