CENTER OF PASADENA

The holidays are just around the corner and now is the perfect time to refresh, rejuvenate, and glow before the celebrations begin!

At Comprehensive Dermatology Center, we're helping our patients look and feel their best with exclusive, limited-time offers on our most popular treatments.

## Your Holiday Beauty Timeline

Here's how to plan your perfect holiday glow:

### **4–6 Weeks Before the Holidays (Now!)**

Botox® or Dysport® – Smooth away fine lines and wrinkles. Results develop in about 1–2 weeks and last up to 3–4 months — perfect timing for those holiday photos!

### **3–4 Weeks Before**

Dermal Fillers – Add volume and definition to your cheeks, lips, or jawline. You'll enjoy an immediate lift with full results in just a few days.

### **2–3 Weeks Before**

Laser Treatments – Even out skin tone, reduce sun damage, and restore that youthful glow. Skin needs a little time to heal, so book these now for radiant results by mid-December!

## 1–2 Weeks Before

Facials or Medical-Grade Chemical Peel – Refresh your skin for that flawless makeup look and silky-smooth finish just in time for holiday parties.
