Save \$250 on Sofwave for America's 250th!

Your skin, your body, your savings.

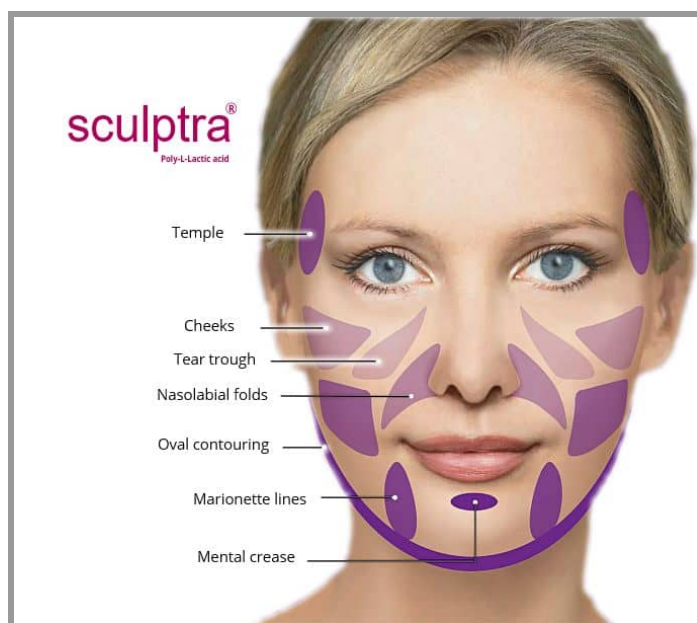

Sofwave offers non-invasive, clinically proven, and FDA-cleared solutions to improve skin laxity, lift, and tone. Gentler than laser resurfacing and longer-lasting than IPL or radiofrequency alone, **Sofwave** treatments stimulate the skin's natural production of collagen and elastin to tighten and firm the skin around the eyes, cheeks, and forehead, and neck, as well as firming loose skin on other body areas, without surgical intervention or damaging or harming the skin's surface. **Sofwave** is suitable for all skin types and tones.

During July, receive \$250 off
your Sofwave treatment face or face/neck
when you prepay!
